SPECIAL FILMING CONDITIONS
THE MEADOWS AREA OF ALTADENA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The Meadows area of Altadena begins at Lincoln Avenue and Canyon Crest Road and continues northwest through the canyon into the foothills of the Angeles National Forest. The area is characterized by narrow, steep, winding streets which do not safely accommodate equipment or cast/crew parking. The streets included in this area are Aralia Road, Canyon Dell Drive, Canyon Crest Road, Rising Hill Road, El Prieto Road, Cloverhill Road, Hollygrove Lane and Gravelia Street. The following Special Filming Conditions have been established to allow for continued safe and responsible film production.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.* **Notification is to include the following streets: (approximately 250 homes)**
    - **Aralia Road**
    - **Canyon Dell Drive**
    - **Canyon Crest Road**
    - **Rising Hill Road**
    - **El Prieto Road**
    - **Cloverhill Road**
    - **Hollygrove Lane**
    - **Gravelia Street**
- **Personal vehicles of cast/crew are not permitted to park on area streets.** Off-site parking must be provided by the production company and cast/crew must be shuttled to and from the location.
- **Canyon Crest Road is the only access road into and out of the The Meadows. Therefore filming and parking of production equipment is prohibited on Canyon Crest Road between Aralia Road and Lincoln Avenue.** *Companies must stake-bed their equipment to the filming location and park vehicles on private property only.*
- **Production companies are required to completely remove all trash, food, cardboard boxes, etc. from the general vicinity at the end of each filming day.** *The area should be returned to the same or better condition.*
- **Due to the very dry brush and flammable conditions present in the canyon, smoking is prohibited.**
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
